

## Our Entryway

(Showing the General Store, the School House, the Health Clinic, the Work Shop, as well as our climbing train and musical pipes.)

## Pathway into Imagination Station

(Showing the Lego Table, the Train Table, the Pathway through the center as well as the Entrance to the Treehouse!)

## Fire Safety

(The children gathered in a circle learning all about Fire Safety.)

## Main Activity Area

(Shown here is the Tree House, the Puppet Barn, and the Play House, as well as the Train Tables, and the Mulch Pit behind.)

## The Mulch Pit

(Here you can see the Mulch Pit up close with the children enjoying! The mulch used in our pit is rubber mulch.)

## Health Clinic

(We also have a very equipped Health Clinic with a REAL light box to view x-rays, for the children to play, learn and experience.)

## Kitchen Area

(Shown here is the entry into our Kitchen where we prepare lunch and snacks for the children.)
